ATMOS Further Options

BACKSPLASH / MILLED GROOVE

In addition to the flat worktop, you also have the option of adding a backsplash or a milled groove to it. This prevents liquids from running behind your cabinet system

MOBILITY

Practical swivel casters enable you to move the cabinets freely and use them anywhere.

INSTRUMENT/WASTE DISPOSAL

When equipped with the instrument and/or waste disposal made of CORIAN®, the cabinet can also be used to dispose of used instruments or other waste.

Compatible with the following products from Aesculap (B. Braun):

- Disposal container JK062R (150 mm stainless steel)
- Lid without opening JK068R
- Lid with opening JK067R
